& Marketing Director

MDC

The Minnesota Discovery Center is the largest museum and cultural center north of the Twin Cities. Comprised of a 33,000 sq. ft. award-winning museum, 14,000 sq. ft. internationally renowned research center, CCC history center, 150 seat indoor movie theater, 1600 seat outdoor amphitheater, seasonal pavilion event center, 19-hole mining themed mini golf course, iconic operational trolley train, a former mining town, outdoor exhibits, a fine dining restaurant, outdoor covered food court, and a food truck, a gift shop, bike shop, and much more - all housed on our gorgeous 660-acre historic campus in Chisholm.
