- SD3. Provide wide range of housing options to meet diverse community needs
- SD4. Expand highest speed internet to all
- SD5. Create community accountability processes to inform residents
- SD6. Create welcoming community packets to encourage civic engagement

- *Completed or scheduled for completion (Green)*
- *Underway and progressing (Yellow)*
- *Not yet started or not progressing (Red)*

HIGHLIGHTS

- Northspan welcomes Miriam Kero, who has joined the team as a Consultant. She will be providing added capacity to ERJPB efforts going forward.
- ERJPB is wrapping up a trails project funded by an IRRR grant. In coordination with Barr Engineering, we completed extensive mapping work, which is available both in a digital format on the ERJPB website and in a paper format available across the area. Signs are also being installed along identified routes.
- We have enjoyed renewed discussions about potential broadband projects in conjunction with CTC Communications. Connect with us if you'd like to contact a CTC representative.
- ERJPB was asked to serve as a fiscal agent for a grant request to the Blandin Foundation to support a business transition and modernization effort for the East Range Shopper.
- We continue to hold discussions with area partners about child care and housing and will seek to line up relevant funding opportunities.
