WHY THIS MATTERS FOR MINNESOTA

Every community benefits

Every district. Every public school student. Every corner of Minnesota. Urban, suburban, rural. Traditional public, charter, and tribal school. Money sent directly to districts or schools with no strings attached.

Financial best practices

The proposed amendment is based on recommendations from a multi-year review of the existing fund structure in order to update the fund with current financial best practices.

More money per pupil

The proposed constitutional amendment would almost double per pupil payout to districts. Without raising any existing taxes for Minnesota residents.

Protecting the future

If passed, this amendment will better support today's students while ensuring the fund's balance is preserved for future generations.

THE PROPOSED BALLOT QUESTION

OFFICIAL BALLOT LANGUAGE

"Shall the Minnesota Constitution be amended to increase the funding going to all school districts from the permanent school fund, which is a fund that supports school districts without raising individual income or property taxes, effective July 1, 2027?"

CRITICAL MINNESOTA VOTING RULE

LEAVING THE BALLOT QUESTION BLANK IS A "NO" VOTE.

If you or any other voter skip this question on their ballot but votes for other races, it is counted as a "No" vote.
